

Christian Caring Center

October, 2008

Dear Friend of the Christian Caring Center,

We have some good news and we have some bad news.

The demand of need, supplied by our Thrift Store, has caused it to become cramped and overcrowded. We have been fortunate to acquire a retail style property just up the street from us, at 383 Lakehurst Rd., for our expansion. This was accomplished through the assistance of the Danielle Foundation for property acquisition.

The bad news is it needs some updating and enhancements to become a first class Thrift Store outlet serving our community. We are proceeding with an improvement program to meet this need.

You can help with this expansion and upgrading! Our Goal is to raise \$75,000 for this expansion and improvements of our new Thrift Store.

To assist us, mark your donation as 'TSEP', (Thrift Store Expansion Project). Any amount you are able to contribute towards this ambitious project is greatly appreciated.

Thank you.

Sincerely,

Doug Radley
